

TO GET RAZORPAY KEY :-

1. Go to [Razorpay Dashboard](#) and log in/create your business account.
2. **Complete your business KYC/activation** and add your **company bank account** for settlements.
3. In the Dashboard, switch from **Test Mode** → **Live Mode**.
4. Go to **Account & Settings** → **API Keys** → **Generate Key**.
5. You will get:
 - **Key ID:** rzp_live_XXXXXXX
 - **Key Secret:** XXXXXXX

TO GET A GOOGLE ADSENSE PUBLISHER ID :-

1. Go to [Google AdSense](#) and sign in.
2. Complete your AdSense account setup and add/verify your website.
3. In AdSense, go to Account → Settings → Account information.
4. Find Publisher ID. It looks like:
pub-1234567890123456
5. For actual ads, go to Ads → Get code to obtain the AdSense ad code/ad unit code.

For example, your code may contain:

ca-pub-1234567890123456
